declares under the sole responsibility that below specified product is in conformity with the

**Regulation (EU) 2017/745**  
on medical devices (MDR)

<b>General description</b>	Manual wheelchair. Intended purpose: <i>Panthera wheelchair model Bambino 3 is intended for individuals who need an active manual wheelchair for everyday use both in- and outdoors. These wheelchairs are indicated for persons with physical disabilities and use isn't restricted to a specific diagnosis. It is the individual capacity of functioning that indicates the need of a manual active wheelchair as technical aid for transferring. Recommendations for a wheelchair should be given by educated healthcare providers and thereafter a suitable product is trialed and configured for optimized seating- and driving properties by an expert. The set-up and configuration of the wheelchair is chosen for each individual.</i>
	The trade name of the wheelchair is <b>Panthera Bambino 3</b> and is manufactured by Panthera AB. The manufacturer's internal article number(s) is/are: G517, G518
