### S3 Backrest for Bambino 3

From November 1st we will provide S3 backrest for Bambino 3, also for seat width 24.

When the total weight of the wheelchair is essential for the child, it will be possible to mount the [S3 push handles](#) on the S3 backrest instead of the [Bambino 3 push bar](#).

New article numbers for these backrest:

|         |                           |
|---------|---------------------------|
| 5232420 | Backrest S3 cpl w 24 h 20 |
| 5232425 | Backrest S3 cpl w 24 h 25 |
| 5232430 | Backrest S3 cpl w 24 h 30 |
| 5232435 | Backrest S3 cpl w 24 h 35 |

For the other seat widths 27-33 cm you use the existing article numbers.

The remains the same as the other S3 standard backrests.
