CUSHION S3 WITH VELCRO TAPE

### NOW THE CUSHION S3 IS DELIVERED WITH A PRE MOUNTED VELCRO TAPE

[Cushion S3](#) is now delivered with a pre mounted velcro tape on the underside of the cover on the front edge.

The velcro tape attaches to the corresponding velcro on the seat of the wheelchair and makes the cushion stay in place better in the wheelchair.

The mounting of the [Cushion mounted seat bag](#), (art.no. 9900213) then also becomes easier when the procedure of attaching a velcro tape on the cushion disappears.

Article number and price remains unchanged.
