Seat in S3 material

### Seat upholstery for wheelchairs in the S2-series

We will replace the material in the Seat upholstery for wheelchairs in S2/ U2- series.

Function, adjustability and mounting is the same, therefore will the article number remain unchanged. The seat upholstery has an updated design and a new material.

It is fully backward compatible with backrest upholstery S2 and forward compatible with backrest upholstery S3.

Seat upholstery S2 is today sold only as spareparts as wheelchairs S2/U2 no longer are produced.

We deliver the original material as long as we have it in stock and then change to the new in S3 material.

## Seat upholstery for wheelchairs Bambino and Micro

Due to unforeseen events we have experienced delivery problems of textiles included in the S2, Bambino and the Micro series. We therefore wish to bring forward the launch of a textile project where the textiles in the S2, Bambino and the Micro series is upgraded to material from the S3 series..

We will replace the material in the Seat upholstery for wheelchairs Bambino and Micro.

Function, adjustability and mounting is the same, therefore the article number will remain unchanged. The seat upholstery has an updated design and a new material.

Seat upholstery Bambino is fully backward compatible with backrest upholstery Bambino and forward compatible with backrest upholstery B3.

We deliver the original material as long as we have it in stock and then change to the new in S3 material.
