

Change of article number

Change of article number for Panthera's Cushion Covers

To ensure that Panthera's article numbers are manageable for all our customers both nationally and internationally, we will make a change to our article numbers for cushion covers.

The current article number ends up with the letter **Ö**, for example *Cover for S3 cushion seat width 33 and height 5 cm* is today called 5753340**Ö**, the last letter in the article number will instead be **replaced by the letter C**.

See all changes in the matrix on the [next page](#)

Please contact Panthera if you have any questions.
